SUMMARY

I'm Izhan Abdullah a second year engineering undergrad in the computer science department of SRM IST. I'm deeply passionate about software development and innovation. Has an open mind and a flair for interacting with people from diverse backgrounds. A responsible and self-reliant individual who excels at independent assignments. Strong desire to work in a positive environment with a wide range of exposure. Has a strong leaning toward academia and knowledge sharing, and is therefore highly motivated to work at an educational institution that fosters deep learning and pertinent discourse.
